

“THE REDCAP’S CHARITY”

The RMP Central Benevolent Fund

[Registered Charity Number: 248713]

The Fund supports people who are serving or have served in Britain’s Military Police - the British Army’s famous ‘Redcaps’ - and their dependants.

It is the only charity providing practical, financial and in some cases emotional support directly to any member of the Royal Military Police RMP family, from childhood through to old age.

It helps with issues ranging from childcare and relationship difficulties, to injury and disability, from financial hardship and debt, to illness and bereavement.

Since 2001, no fewer than 22 RMP have been killed on operations and duty and many others have sustained life changing injuries in the service of their country. Both they and their families deserve our support.
